# Golden Leaf

comfort sleep selection by kintakun collection

Golden Leaf is a bed sheet and bed cover product that is produced using embossed microtex technology, with many difference color choices and affordable price. Golden Leaf comes excellently to be part of your warmest sleeping. Golden Leaf used the newest embossed microtex technology mixed between softness and gentle from Zaquard cotton, so it feels so comfortable. Golden Leaf Bed cover also is produced using Embroidery Quilting technology wich presented different embroidery pattern on every bed cover.
